

WALKER & WODEHOUSE WINES

March Madness!!

Welcome to our exclusive March sales offer, with wine to carry you through the early Spring into Easter. A prime drinking season!! Our selection this month offers some real deals on bin ends and some fizz to make your eyes sparkle!!

A mistake in last month's ramblings!! One person spotted it and got a bottle of Charles Ellner Champagne for their trouble. There are 6 Nations playing Rugby (not Five as I said). See if you can spot this months and the same award awaits the first person to tell me where I have gone wrong! Not difficult...

So what does March offer us in reasons for drinking? Well we missed St David's Day on the 1st but I am not sure what goes with daffodils! Cheltenham Festival today until Friday so get the champagne flowing and select some winners; St Pat's Day on the 17th means more champagne with your Guinness and don't forget Mum on Sunday 18th - she like Champagne too!! I notice that the Vitality Show is on at Earls Court on 22 – 25th – so give that a miss but go to the Brighton Food and Drink Festival at the end of the month, instead. Whatever you do this Spring enjoy it with a glass of wine in hand from your favourite supplier and don't forget us either!!
